Called to order at 7:05 P.M.

**Minutes from previous meeting:**

Minutes read by Mike Hyndman.

**Correction:** Mike Hyndman indicated that he did want to  
continue as a board member.

**President's Report:**

Marvin Croussore is away, but Brian was standing in for this  
meeting and discussed the items following in our meeting.

**Treasures report:**

Brandy Peters was absent so there was no treasurer's report. Since there was no proposed budget for the fiscal year, 8/1/21 thru 7/31/22, there could be no vote.

There was a question on the Total Administration line which showed "000" and it is just a part of the business program.

## **Committee Reports**

There was discussion on the street signs and it was reported that the street signs will move forward and will have to be paid through the association finances.

Thanks for all the work of Alison Finco, Deb McClintock and Brian Lane for the work on the signs. Question was raised by Deb that we should be voting on the signs.

There are four quotes and it was felt that Custom Signs Unlimited on Goshen Road would be the best one. The total is \$9915.35 which includes removal and disposal of old ones.

Discussion was held on the need a quorum to vote on it. Brian Lane will connect with Marvin.

## **Snow Removal:**

Our new snow removal company is DK Lawn Care and Snow Removal. Dustin Kanorr will hopefully provide us with better service.

## **Website:**

Thanks to Jason Hollinger for our new website. We need to get the word out to our association members.

## **Grant**

Jo Massaro applied to the Neighbourhood Improvement Grant with the city.

We were under a short time frame and Jo with the help of Marvin procured two quotes for the following:

2 picnic tables for the playground area with the one quote of \$2,900 was submitted  
1 bench with the quote of \$684.00 was submitted

Total amount of grant request was \$3,584.00.

The city was looking for our association to pay a portion of the funds needed to complete this project.

We indicated our association would cover:

5 gallons of stain and sealer for the wood on the play area equipment	\$229.00	
Brushes 25 x 10.66		\$267.00
Disposable paint trays 25 x \$1.88		\$47.00
Food for a picnic the day of the painting	\$350.00	
Disposable brushes, 4 pack, for children to use	\$ 24.00	
<b>Total</b>		<b>\$917.00</b>

Brief Overview:

- The main idea behind our grant application is not just to stain the playground equipment but to create an environment of community that we are hoping to increase.
- Provide safe picnic benches to be used by children, families, and persons with disabilities to use.
- We will create a community beautification committee to

oversee the work.

-We will schedule a day to perform the work in the spring as weather permits.

-We will host a barbeque at the park on the work day.

-All levels of skill can be used from adults to children.

-We will build a relationship with families.

-We seek to reintroduce our park area to make a difference to our families.

-We host Monday in the Park during the summer months and hope to increase the use of our park.

## **New Business**

Are we still welcoming new people to the neighbourhood?
